

Ormeeton 18<sup>th</sup> Jan.<sup>y</sup> 1780

Sir

I would just inform you that I have forwarded all the Provision that were here to Camp, should there be any more at Trinton, I shall send them on to this place & I shall do my endeavour to have them also forwarded immediately. I can forward several hundred bushels of Oats to Camp if I had bags & if thought necessary I have been estimating the amount of Expence at this place & find it much larger than what I mentioned to you — If I have not a supply of Cash soon, I dont know but I shall be obliged to Decamp from this place, as the people are like to pull me in pieces for their Money —
